## *“Serving Christ Together”*

Brent D. Barker, Associational Missionary

Attention RSBA Pastor's...

How would you like to be a part of offering freedom & forgiveness to at least 10,000 people? I'm sure each of you would jump at the opportunity if you only knew what you could do to help. For those of you who are interested in really helping people find freedom, read on!!

Some of you are familiar with Danny Wallace Ministries and Danny's testimony entitled "No Harm Done". Danny has recently shared his music & his message at Trading Ford, Dunn's Mountain, South China Grove, and Woodleaf Baptist with amazing results.

Anyone who has attended these services can speak of how God uses Danny's ministry in amazing ways to change the lives of people. I personally can speak of how God used Danny at SCG to change the landscape of our church.

Each Pastor in the RSBA will be receiving a free copy of the "No Harm Done" life story of Danny Wallace. Please listen to how God brought freedom & forgiveness into Danny's life from terrible circumstances. I also challenge you to ask yourself how God will change your life from hearing Danny's story. Then I would ask you to consider supporting Danny's ministry so the RSBA churches can help Danny continue to offer his testimony CD absolutely free.

Danny has not asked me to do this, but I am following God's leading to ask the churches in our association to help purchase 10,000 CD's so he can continue to give them away to the people who desperately need to hear his message. Buying in this quantity will enable Danny Wallace Ministries to purchase these CD's at a drastic discount. So, what does this mean to you?

It means that SCGBC will make the first donation to Danny Wallace Ministries in the amount of \$1,000. That leaves \$4000 for the remaining 40 plus churches in our association to be involved in changing the landscape of heaven by purchasing the testimony cd's. You will also receive a ministry letter with address information to mail your donation. However, the address is Danny Wallace Ministries Inc., 3657 Parkside Court, Norcross, GA 30092.

Do you really want to help 10,000 people find freedom & forgiveness? If so, please give to this cause & support the "No Harm Done" project. Working with other churches across our country, we hope to achieve the result of placing a copy of Danny's testimony in the hands of every household across our nation. If this dream becomes a reality, it will literally transform the lives of our people and our country as they find freedom in Christ.

I trust God will lead you to support such a cause.

Until He Comes,
